

## A truly unique learning experience...

- Christian education gives students a strong foundation in a world of shifting values and morals.
- At LCS we recognize God's sovereignty and Christ's kingship, therefore there are no subjects or set of curriculums outside of God's orbit. There are no neutral subjects.
- Christian education acknowledges each child has God given gifts and talents as well as an amazing amount of potential!
- Christian education assists parents in their God given mandate and treats the student as a whole person (a spiritual, physical, mental, and social being).
- At LCS, starting in Preschool; we prepare our students for tomorrow by teaching them from a Christ centered worldview, with the aim to grow in Christlikeness, and to carry on in God honoring pursuits, in all areas of life.
