-----AUCTION 2018: WHAT TO EXPECT

Check-in

Our check-in table will be located near the front entrance, closest to the door by Leonard, not the gym doors. Your name and address have most likely already been entered into our database as an invitee to our event. Please give our attendants your name at check-in and to register as a bidder. They will assign you a bidder number and verify our database information is up to date. You will receive a sticker with your bidder number on it which you will then apply to the back of your auction book. Prior to the live auction starting, the check-in table will move to the gym and be at the cashier table.

Child Care

Child care is available during our auction. Infant and toddler care is located in the Preschool/Pre-Kindergarten room. School-age care is located in the Kindergarten room. Each room has adult supervisors and middle school attendants. Please sign your child in at

each room. Care is provided by donation; cash donations can be placed in donation containers at each sign in table or added to your bidder slip.

Light Supper

This evening please join us for a light supper after signing in at the registration table. Food will be available starting at 5:00 pm and will be located in the main classroom hallway. We will be serving baked ham and swiss sliders, baked turkey and cheddar sliders, baked beans, potato salad, Lamont's famous pig-in-the-blankets and drinks. Desserts and coffee will be served in the gym and will include assorted pies with ice cream. Beverages will be available in a refrigerated cooler in the gym by donation throughout the LIVE auction.

Once again, the 8th grade class will be helping with the food tables and, during the LIVE auction, will serve you from your seat! If you would like a refill, some dessert, or are finished with your plate, flag down one of the students, and they will assist you. Please feel free to tip the students with a bid slip or cash as this is a fundraiser for their 8th grade class trip. All proceeds from the food tables will go towards Lamont Parent Association. Thank you for your generous donations!

Silent Auction

Tables - Bid slips will be located on the tables; take a few as you browse the items. Please use a marker to fill in the item number, your bidder number, and your bid amount. We ask that you write large and legibly. Hand your completed bid slip to the attendant or put your completed bid slip in the basket on the table where you wish to place a bid. An attendant will hang your bid on the bid board. You may bid as often as you wish, but please increase the bid by at least \$1.00. Just moments before an auction closes, the siren light will go off, alerting everyone the auction will close in a few seconds! The highest and last bid placed in the container before the silent auction closes is the purchaser of the item. If you want to be sure to get your item, make that last bid count by bidding high! If there should be a bidding tie, there will be a "bid-off": the tie bidders will each write down their bid (which is higher than the tie-bid amount) and hand it to the attendant. Highest bid wins. After the table closes, your purchases will be recorded for you to pay for at the check-out table. Once all items have been recorded, you may take them with you to your seat.

Walls – Gift cards are posted on the walls. A bid sheet is attached to each gift card. An opening bid is listed to start off each certificate. Write your bidder number (not your name!) and the bid amount on the bid sheet. Bid as often as you wish, and please increase bids by at least \$1.00. After the certificate wall closes, your purchases will be recorded for you to pay for at the end of the evening. Once all items have been recorded, you may take the gift certificate with you to your seat or pick them up after you check out. Please leave bid sheets attached to the wall.

Desserts To Go Table

You will find some extravagant desserts on a table labeled Desserts to Go. These decadent desserts may be purchased with a starting bid of \$25 each. Write your bidder number (not your name!) and the bid amount on the bid sheet. Bid as often as you wish, and please increase bids by at least \$1.00. Bids will be accepted on the bid sheets until 6:50 pm. Your purchases will be recorded for you to pay for at the end of the evening. Then you can take it home and enjoy!

Baked Goods Table

Back again, and sure to be a mouth-watering favorite! Take a moment to look over our table of baked goods. All the items on this table are priced. Just stop by and pick out what goodies you would like to purchase. Items can be paid for as cash & carry or added to your tab using bid slips. Just take one of the slips on the table, fill in needed info and either place in the jar or give to a cashier at any time during the night or when you check out!

Tuition Voucher Give-away

When you register and receive your bidder number, that number is entered into a drawing for a \$100 tuition voucher. Part way through the evening, a bidder number will be drawn, and the number chosen will win the voucher. If you do not have a child(ren) attending LCS, you can apply it to another family's tuition. You must be present to win.

Beautify the Bathrooms

Tonight, you will have the opportunity to support LCS in a meaningful way. Our bathrooms (some of them original to the school) and locker rooms are in desperate need of repair and a facelift. We are estimating the cost of this project to be approximately \$30,000. At some point during tonight's auction, you will be asked to make a donation that will be applied specifically toward covering the cost of these upgrades. To make your donation, simply raise your hand and bidder number. Your donation will be recorded along with your auction purchases. Thank you for your continued support of Lamont Christian School!

Pig-in-the-Blankets

The Lamont Parent Association will have pig-in-the-blankets available for purchase at check out. The pigs are in the small freezer chest near the cashier tables. They are \$10.00/doz. You may pay for them when you check out at the cashier tables, or you may pay for them by inserting cash in the cash box on the front of the freezer.

Check-out

Although you are encouraged to stay to the end of tonight's event, you are free to leave whenever you wish. Please allow a few extra minutes after winning your last item to check

out. Please note the item number of the last item you purchased – this will enable us to make sure all of your purchases have been recorded. Then visit our cashier tables with your name or bidder number ready. The attendants will be able to check you out. Payment will be accepted by cash, check, or credit card.
