WELCOME!

The Auction Committee would like to welcome you and thank you for attending tonight's auction event. The support that you give to Christian education at Lamont is important and so appreciated! Most of all, it is a gift that will be used to teach God's faithfulness to our next generation of Kingdom Kids! We hope you enjoy your evening and the fellowship that being with the Body of Believers brings!

What to Expect

Check-in

Our check-in table will be located near the front entrance (enter through the doors closest to Leonard, not the gym doors). Your name and address are most likely already entered into our database as an invitee to our event, especially with pre-registration. Please give our attendants your name at check-in so they can register you as a bidder. They will assign you a bidder number, and if you didn't pre-register, verify that our database information is up to date. You will receive a sticker with your bidder number, which you will apply to the back of your auction book. Prior to the live auction starting, the check-in table will move to the gym and be at the cashier's table.

Light Supper

This evening, please join us for a light supper after signing in at the registration table. Food will be available starting at 5:00 pm and will be located in the main hallway. Join us for a delicious dinner of warm sliders, chips, pasta salad, and

potato salad. We will also be serving our classic pig-in-the-blankets and, of course, cake for dessert! We will also have cider, coffee, water, and pop available. Pop & water will be available by donation throughout the LIVE auction.

Once again, the 8th grade class will be helping with the food for dinner- they will be wearing white shirts and black pants. During the LIVE auction, they will be serving you from your seat! If you would like a refill, dessert, or are finished with your plate, flag down one of the students, and they will assist you. Please feel free to tip the students with a bid slip or cash, as this is a fundraiser for their 8th grade class trip. All proceeds from the dinner tables will go towards the Lamont Parent Association. Thank you for your generous donations!

Silent Auction

Tables - Bid slips will be located on the tables; take a few as you browse the items. We ask that you be 18 years old or older to bid. Please use a marker to fill in the item number, your bidder number, and your bid amount. We ask that you write large and legibly. Hand your completed bid slip to the attendant or put it in the basket on the table where you wish to place a bid. An attendant will hang your bid on the bid board. You may bid as often as you wish, but please increase the bid by at least $1.00. A 5 minute countdown will begin on the projection screen on the east gym wall, indicating how long it will be before each table closes! The highest and last bid placed in the container before the silent auction closes is the purchaser of the item. If you want to be sure to get your item, make that last bid count by bidding high! If there should be a bidding tie, there will be a "bid-off": the tie bidders will each write down their bid (which must be higher than the tie-bid amount) and hand it to the attendant. Highest bid wins. After the table closes, your purchases will be recorded for you to pay for at the check-out table. Once all items have been recorded, you may take them with you to your seat. We are always looking for baskets to house our auction items and will happily accept for future use any empty baskets after the auction.

Specialty Desserts Table - Bidding Closes at 6:45

You will find some extravagant desserts on a table labeled Specialty Desserts. These decadent desserts may be purchased with a starting bid of $25 each. Write your bidder number (not your name!) and the bid amount on the bid sheet. Bid as often as you wish, and please increase bids by at least $1.00. Bids will be accepted on the bid sheets until 6:40 pm. Your purchases will be recorded for you to pay for at the end of the evening. Then you can take it home and enjoy!

Baked Goods Table - Open All Night

Back again, and sure to be a mouth-watering favorite! Take a moment to look over our table of baked goods. All the items on this table will have a suggested donation amount. Just stop by and pick out what goodies you would like to purchase. Items can be paid for with cash or added to your tab using the bid slips on the table. Just look at the suggested donation sheet and write all goodies on one bid slip to give to the cashier at the time of purchase.

Tuition Voucher Giveaway

When you register and receive your bidder number, that number is entered into a drawing for a $250 tuition voucher. A bidder number will be drawn halfway through the evening, and the number chosen will win the voucher. If you do not have a child(ren) attending LCS, you can apply it to another family's tuition. You must be present to win.

Dutch Auction:

This year, proceeds from the Dutch Auction will support the renovation and improvement of the Lamont Christian School preschool playground. Preschool licensing requirements call for a designated outdoor play space, and our current playground is in need of significant updates. Through this project, we hope to create a safe, welcoming, and engaging environment where our youngest learners can play, explore, and grow. Your support will help us provide a space that encourages joyful play, healthy development, and meaningful school experiences for the children entrusted to our care.

Pig-in-the-Blankets

The Lamont Parent Association will have pig-in-the-blankets available for purchase at checkout. The pigs are in the small freezer chest near the cashier tables. They are $15.00/doz. You may pay for them when you check out at the cashier tables, or you may pay for them by inserting cash in the cash box on the front of the freezer.

Check-out

Although you are encouraged to stay until the end of tonight's event, you are free to leave whenever you wish. After winning your last item, please allow a few extra minutes to check out. Please note the item number of the last item you purchased – this will enable us to ensure all your purchases have been recorded.

Then, visit our cashier tables with your name or bidder number ready. Payment will be accepted by cash, check, or credit card.

In Special Acknowledgement
