# LCS Harvest Auction 2023

## WELCOME!

The Auction Committee would like to welcome you and thank you for attending tonight's auction event. The support that you give to Christian education at Lamont is important and is appreciated! Most of all, it is a gift that will be used to teach God's faithfulness to our next generation! We hope you enjoy your evening!

### What to Expect

---

#### Check-in

Our check-in table will be located near the front entrance, (enter through the doors closest Leonard, not the gym doors). Your name and address have most likely already been entered into our database as an invitee to our event, especially with pre-registration. Please give our attendants your name at check-in to register as a bidder. They will assign you a bidder number and, if you didn't pre-register, verify our database information is up to date. You will receive a sticker with your bidder number on it which you will then apply to the back of your auction book. Prior to the live auction starting, the check-in table will move to the gym and be at the cashier table.

#### Light Supper

This evening, please join us for a light supper after signing in at the registration table. Food will be available starting at 5:00 pm and will be located in the main classroom hallway. Join us for a delicious Italian dinner including Baked Ziti, Breadsticks, and Tossed Salad. We will also be serving our classic pig-in-the-blankets and, of course, dessert!

Drinks and coffee will be served in the gym. Beverages will be available in a refrigerated cooler in the gym by donation throughout the LIVE auction.

Once again, the 8th grade class will be helping with the food tables during dinner. During the LIVE auction they will be serving you from your seat! If you would like a refill, some dessert, or are finished with your plate, flag down one of the students, and they will assist you. Please feel free to tip the students with a bid slip or cash as this is a fundraiser for their 8th grade class trip. All proceeds from the food tables will go towards the Lamont Parent Association. Thank you for your generous donations!

## **Silent Auction**

**Tables** - Bid slips will be located on the tables; take a few as you browse the items. Please use a marker to fill in the item number, your bidder number, and your bid amount. We ask that you write large and legibly. Hand your filled out bid slip to the attendant or put your filled out bid slip in the basket on the table where you wish to place a bid. An attendant will hang your bid on the bid board. You may bid as often as you wish, but please increase the bid by at least \$1.00. Just moments before an auction closes, the siren light will go off, alerting everyone the auction will close in a few seconds! The highest and last bid placed in the container before the silent auction closes is the purchaser of the item. If you want to be sure to get your item, make that last bid count by bidding high! If there should be a bidding tie, there will be a “bid-off”: the tie bidders will each write down their bid (which is higher than the tie-bid amount) and hand it to the attendant. Highest bid wins. After the table closes, your purchases will be recorded for you to pay for at the check-out table. Once all items have been recorded, you may take them with you to your seat.

**Gift Card Wall** - Gift cards are posted on the wall. A bid sheet is attached to each gift card. An opening bid is listed to start off each certificate. Write your bidder number (not your name!) and the bid amount on the bid sheet. Bid as often as you wish, and please increase bids by at least \$1.00. After the certificate wall closes, your purchases will be recorded for you to pay for at the end of the evening. Once all items have been recorded, you may take the gift certificate with you to your seat or pick them up after you check out. Please leave bid sheets attached to the wall.

## **Gift Card “Grab and Go” Table - *New This Year!***

Tonight you have the opportunity to purchase a bag from our “Grab & Go” Gift Card Table for \$25 per bag. (Limit two bags per attendee). Each bag contains a gift card or multiple cards valued at \$25 OR MORE to a local restaurant, store, service or experience. Pick a bag to find out what fun surprise lies inside! In order to select a bag, simply fill out a bid slip with your bidder number and hand it to the attendant. The attendant will then hand you a bag of your choosing! Keep in mind that when all of the “Grab & Go” bags are gone, the table will close.

## **Desserts to Go Table**

You will find some extravagant desserts on a table labeled Desserts to Go. These decadent desserts may be purchased with a starting bid of \$25 each. Write your bidder number (not your name!) and the bid amount on the bid sheet. Bid as often as you wish, and please increase bids by at least \$1.00. Bids will be accepted on the bid sheets until 6:45pm. Your purchases will be recorded for you to pay for at the end of the evening. Then you can take it home and enjoy!

## **Baked Goods Table**

Back again, and sure to be a mouth-watering favorite! Take a moment to look over our table of baked goods. All the items on this table are priced. Just stop by and pick out what goodies you would like to purchase. Items can be paid for with cash or added to your tab using the attached bid slips. Just remove the slip and fill in needed info. Please place cash and slips in the jar on the table or give to the cashier at the time of purchase.

## **Tuition Voucher Give-away**

When you register and receive your bidder number, that number is entered into a drawing for a \$250 tuition voucher. Part way through the evening, a bidder number will be drawn, and the number chosen will win the voucher. If you do not have a child(ren) attending LCS, you can apply it to another family's tuition. You must be present to win.

## **Kitchen Improvements**

In many homes, the kitchen is often referred to as the "heart of the home," and the same sentiment holds true for Lamont Christian School. The kitchen serves as a hub of activity, where hot lunches are prepared and served to the students every Friday. Beyond this, it plays a central role throughout the year, from crafting delectable pig-in-the-blankets to orchestrating the pancake breakfast following the annual 5k event. The kitchen also provides the backdrop for cherished moments such as "Donuts with Dad," "Muffins with Mom," and the heartwarming celebrations on Grandparents Day. The kitchen also finds its purpose on special occasions, like tonight at the Annual Harvest Auction, where it comes alive to prepare a delicious meal that allows us to come together, share in fellowship, and show our unwavering support for our cherished community and Lamont Christian School. Our hope is to give the school kitchen a refresh with updated cabinetry and countertops, efficiently operating appliances, and possibly a more conducive flow through the kitchen area. At some point during tonight's auction, you will be asked to contribute to this. Your donation will be applied towards the costs of these improvements. To make your donation, simply raise your hand and bidder number. Your donation will be recorded along with your purchases. Thank you for joining us in this fun and exciting Harvest Auction, which is truly part of our kingdom mission!

## Pig-in-the-Blankets

The Lamont Parent Association will have pig-in-the-blankets available for purchase at check out. The pigs are in the small freezer chest near the cashier tables. They are \$15.00/doz. You may pay for them when you check out at the cashier tables, or you may pay for them by inserting cash in the cash box on the front of the freezer.

## Check-out

Although you are encouraged to stay until the end of tonight's event, you are free to leave whenever you wish. Please allow a few extra minutes after winning your last item to check out. Please note the item number of the last item you purchased – this will enable us to make sure all of your purchases have been recorded. Then visit our cashier tables with your name or bidder number ready. The attendants will be able to check you out. Payment will be accepted by cash, check, or credit card.

## In Special Acknowledgement

---

Our auction is made possible through the generosity of those who donate items and services, bid at the auction, and have volunteered countless hours of their time to make this evening a success. We would like to take the opportunity to thank a few in a special way.

**Caterers:** Julie Molewyk and crew along with the 8<sup>th</sup> grade class.

**Auctioneers:** We welcome Chuck Ranney along with spotter Steve Schout.

**Cashier team:** Jessica Uitvlugt, Lloyd Hemstreet, Robin Liszewski, Ashleigh Syswerda, Shelley Huttinga (live item clerk).

**Financial Goal Coordinator:** Becca VanderSloot.

We would like to thank everyone for attending our auction this year and helping to make our event a success. If you should have any questions throughout the event, do not hesitate to ask one of us. We hope you enjoy your evening!

With gratitude,

The Auction Committee: *Angie Crandle, Rachelle Dekker, Staci Hovinga, Nicole Jones, Michelle VanderSloot*

**50. Dutch Auction:** In many homes, the kitchen is often referred to as the "heart of the home," and the same sentiment holds true for Lamont Christian School. The kitchen serves as a hub of activity, where hot lunches are prepared and served to the students every Friday. Beyond this, it plays a central role throughout the year, from crafting delectable pigs in the blankets to orchestrating the pancake breakfast following the annual 5k event. The kitchen also provides the backdrop for cherished moments such as "Donuts with Dad," "Muffins with Mom," and the heartwarming celebrations on Grandparents Day. The kitchen also finds its purpose on special occasions, like tonight at the Annual Harvest Auction, where it comes alive to prepare a delicious meal that allows us to come together, share in fellowship, and show our unwavering support for our cherished community and Lamont Christian School. Our hope is to give the school kitchen a refresh with updated cabinetry and countertops, efficiently operating appliances, and possibly a more conducive flow through the kitchen area.
