

Dear Potential Sponsor,

2024

Here at Lamont Christian School, we look to our community, friends, and family for support. This upcoming spring you have the opportunity to come alongside and support our school family in three different ways!

In March, our 7th & 8th grade students step out of their comfort zones and onto the stage as they present their annual play. This year they will be performing *The Enchanted Bookshop* by Todd Wallinger. Financial assistance will not only help with the success of the play, but also put your company's name in the hands of the audience.

Our 14th Annual Run/Walk Race brings the community together to exercise and have a delicious flapjack breakfast! This event brings in over 100 people and your company will be posted everywhere for the week leading up to the race. We put our sponsor business signs out front for all those traveling down the busy road of Leonard to see!

Finally, we have a new event that we believe we're going to have a waiting list for - our 1st Annual Pickleball Tournament in June! It's an event you're going to want to be a part of!

With all these events taking place, this year we are rolling out consolidated sponsorship levels. Consolidated sponsors support all three of our spring activities. However, do not fret, we still offer the opportunity to sponsor individual events rather than all of them. Below is a breakdown of the sponsor opportunities available, and what you will receive for each level.

To sponsor, please complete and return the form below to:
Lamont Christian School, 5260 Leonard St, Coopersville, MI 49404 – OR –
online at <https://www.lamontcs.org/support-lcs>
